DIARY NOTES

25X1A

ADD/A (Colonel White) [REDACTED]

13 February 1952

1. Advised Mr. Wolf of a probable meeting which Colonel Edwards has set up with either the Postmaster General, Mr. Donaldson, or his Deputy, Mr. Burke, and suggested that Mr. Carey might head the CIA team. Mr. Wolf is handling this with DD/P.

2. Colonel Baird was in to discuss his personnel ceiling. He accepts his ceiling as it was established by us but points out that he will have to operate on a reduced scale. I told him that I had no authority to approve of his reduced scale operations but would approve of his ceiling, and did.

3. I advised [REDACTED] of the action which we have taken in connection with [REDACTED] personnel situation and told him that insofar as the three girls who are awaiting cover arrangements were concerned we proposed to take no further action.

4. [REDACTED] has queried me on two or three occasions about individual cases in OO where personnel are on extended leave-without-pay status. I told him that in my opinion this personnel should not be regarded as "on duty" when considering personnel ceilings, but that I did not care to make an exception to the policy until such time as OO was actually suffering because of this situation.

5. I asked [REDACTED] to notify Matt Baird that we would like to send Mr. [REDACTED] to the FCDA Staff College at Olney, Maryland, for one week.

6. Agreed with Mr. Wolf and Larry Houston that [REDACTED] could become Larry's Deputy and that he might be promoted to the grade authorized for that position.

7. Advised Colonel Edwards that he should present the story on [REDACTED] to Mr. Wolf who would handle it from that point.

8. Asked Bill Peel to bring me up to date on what has been done concerning the use of various kinds of colored paper in the Agency. This matter was brought up by the Director some weeks ago at a Staff Conference with Assistant Directors.

9. Asked Bill Peel to expedite work on CIA Regulation No. [REDACTED]

10. Gave Bill Peel the Procurement and Supply Office functions and Table of Organization for publication.

11. Discussed with Bill Peel the Procedural Regulation on the Project Review Committee. Hope to have this ready within the next two or three days.
